K.Noah Ambassador Program

Our goal is to bring together key players and coaches from throughout the world to help us promote and represent our brand to the global football community!

Your benefit

We will hook you with free K.Noah branded swag, including ONE of each of the following garments:

- Hoodie
- T-Shirt
- Polo
- Compression Shirt
- Mesh-Short
- Cap

We want you not only look good, but feel good. That's why you can choose the color combination that fits you!

This is the way you will become a K.Noah Ambassador

If you are a leader in your team and run popular and influential social media accounts (at the moment we are most interested in Instagram & Facebook), contact us at socialmedia@knoah.at and send us a description and introduction about yourself, your team and where you expect to play for within the next 2 years.

What we expect from you?

Part of our agreement will be that we require that you share 5 stories posts during the week, and one post to your gallery on Instagram (sharing it on facebook as well), during the season.
